<p><b>The student becomes the teacher:</b> Teach your parents or family friends something that you learned this week. It might be a skill, something about the election, a math skill or MANA Values.</p>	<p><b>Master Chef:</b> Instead of chilling on the couch complaining that you're hungry, get up and into the kitchen! Help out by preparing dinner and write about the different things you did and learned whilst cooking.</p>	<p><b>Alphabet:</b> Make a list of everything you can find in your house beginning with the letter <b>Y</b> The item or object must begin with the letter e.g. yarn, yoga mat...</p>	<p><b>Book Review:</b> Choose a book you have recently finished. There are templates on the class website (Homework page) if you want ideas about what to include. Review it, giving your thoughts, ideas and recommendations.</p>
<p><b>Physical Activity:</b> Stay balanced and do 30 minutes of physical activity outside. You could go for a run or walk, ride your bike or even kick the footy at the park with your family. Remember to record in your book what you have done.</p>	<p><b>Artist:</b> 1 Point Perspective. Create a 1-point perspective drawing or scene. It may be a cityscape, a room in the house or an imaginary scene.</p> 	<p><b>Word Challenge:</b> As a family, make a list of as many words that you can think of that contain the 'rime' (chunk) <b>'ack'</b> e.g. back, track, ... It would be good to present these neatly on a separate page to display in the class (ask for some paper if you need it).</p>	<p><b>Random Acts of Kindness:</b> Make an effort to do at least 5 random acts of kindness (nice things you do to make someone else happy). Write about each thing you did, why you chose that act and what you and they felt afterwards.</p>
<p><b>Rules Official:</b> Write a set of clear rules for King Dodge or Aranga Touch so that everyone knows exactly how to play</p>	<p><b>Football World Cup Participation:</b> The Woman's Football World Cup is currently being played. Choose one of the countries participating and create a 1-page presentation about that country. Be sure to present it neatly.</p>	<p><b>Housework:</b> Be caring and do someone else's chores this week (as well as your own!) Write down what you did.</p>	<p><b>Free Choice:</b> Be creative and come up with a homework activity of your own. Explain what it is and complete it. Remember to show some evidence of what it is – written, photos, video...</p>
