

Bomber Command – Night Raid

Jillian Powell

1. Why were many bombing raids done at night?
2. What is ammunition?
3. What did the Woman's Air Force members do?
4. What happened in the Briefing Room?
5. Why did the pilots have to wear warm clothes?
6. Why do you think the bombers flew close together?
7. Who was the person responsible for making sure the plane was in the right place to drop their bombs?
8. What happened when the bomber landed back at base?
9. Where is the Bomber Command Memorial?
10. When was the Bomber Command Memorial built?
11. Create a recruitment poster to get people to join the Air Force or become a Bomber Pilot.
