

WWII: Secret Agent

Jillian Powell

1. What does a secret agent do?
2. What skills do you need to have to become a secret agent?
3. Why do secret agents blow things up?
4. Why do you think agents bury their parachutes?
5. Why are some words written in **Bold**?
6. How do agents get around the places they go?
7. What do you think would happen if an agent got caught?
8. What is the point of 'decoy feet'?

Extras:

- Write a letter of application for the job of a WWII secret agent. Do not forget to include all of the skills that you have.
- Create a poster to either

Attract people to become a secret agent

Or

Highlight the things that secret agents do

- Research a secret agent or spy and present your findings in an interesting way.
